

Let's continue this journey together!

Join us at ThriveOn King!

Friday, September 13, 5:30-8 p.m.

Join the Greater Milwaukee Foundation to discover how the ideas and input from community residents over the past five years have shaped what ThriveOn King has become. Hear updates on the building's development, learn about the apartments under construction, and explore the investments made in the surrounding neighborhoods. Find out how you can access the resources now available to the community.

We'll also discuss what's next for the Foundation's focus on the three neighborhoods surrounding ThriveOn King—Halyard Park, Harambee, and Brewers Hill—including our upcoming series of visioning sessions.

No registration required.

For more information contact communityengagement@greatermilwaukeefoundation.org

ThriveOn King entrance and parking

Parking structure 320 W. Lloyd St.

Visitors may park for free in the parking structure located on the corner of Vel R. Phillips Drive and Lloyd Street.
