

Inform how the *Greater Milwaukee Foundation* and *Medical College of Wisconsin* partnership will

invest in your neighborhood.

The knowledge, input and leadership of residents from Halyard Park, Harambee and Brewers Hill, will help inform the restoration and redevelopment of a historic building on N. Martin Luther King, Jr. Drive, and prioritize the Medical College of Wisconsin's and Greater Milwaukee Foundation's related community investments for an equitable, healthy and thriving Milwaukee.

In a neighborhood visioning session, residents identify shared values, define a set of priorities and brainstorm ideas on how to strengthen the community.

Join us at one of our visioning sessions:
